

## Election statement – Sacha Liddiard

My name is Sacha Liddiard and I have had the pleasure of being on the STAR board for the last 3 years. My main role has been to manage the STAR Facebook page and coordinate with the communications and events team I was one of the 'glory hunters' in 2005/2006 that stayed the course and brought my now 26 year old son and 22 year old nephew with me. I am both a Home and Away Season Ticket holder and I consider myself a loyal and passionate supporter. I had admired from a distance the enormous amount of work that the Board does to ensure that we have a club that we can be proud of. I have been proud to have played my part over the last three years in creating more awareness through our Social Media Channels. We have many more fans aware of the aims of the Trust and how it can help those connected to the club and the local Community. I am lucky to work now full time from home allowing me to make a meaningful contribution to the board. I would like to continue with my role

in Communications and in particular Social Media and Facebook. Through Social Media we can continue to grow our membership and provide a great service to our existing membership who communicate via this platform. If elected I will be extremely proud to be associated with the Trust.
