

Sarah Turner – Election Statement for STAR

I have been a Reading FC supporter since I was a teenager and have shared the love with my 2 daughters. I grew up in Tilehurst and spent a Saturday afternoon on the terraces of Elm Park. We have had season tickets since 2012 and have attended as many home and away games as possible. I attended the Symod Cup final as my first trip to Wembley and have not enjoyed other trips to Wembley with Reading since then!

I sit in the Upper West with my parents and daughter but we enjoy the occasional trip to Club 1871. I am a 53 year old female and work as a mediator and family group conference coordinator in the local area. I really appreciate the things that STAR have managed to achieve such as No 13 shirt and the away travel. I am passionate about trying to improve the whole matchday atmosphere and fan engagement. I am very organised and good at admin tasks. I'm enthusiastic and I love to be involved. I'm an avid social media user and so that I can see what is going on and keep in touch with other Reading supporters. The pandemic has affected us all and I think this season will be important to reach new supporters and re-engage the faithful.

Come on URZZZZZZZZ!
