

VICCI ELLIOT

Proposed by Miriam Elliot

Seconded by Jon Hall

As most of you are aware - I've been on the STAR board since September 2014 (having a year break a few seasons back) and been Treasurer for most of them. This year under the rules of the board it's my turn to step down and seek re-election.

During this time I have seen a number of Chairmen (people?) come and go along with numerous other board members - each bringing different skills and overseeing sometimes turbulent times for the football club. I myself have streamlined the financial side of things - improving the bookkeeping process which has saved time and helped provide more meaningful information to the board. Also as being a regular traveller on coach 2 - have worked with a number of people behind the scenes to develop and test the new coach booking/ticketing system to be introduced this season.

I would like to take the opportunity if re-elected to continue to work with new travel team both on the day to day running side of things and also with Alex to integrate this into the accounting and financial function. Also as we are losing 2 very senior (in experience not age before anyone shouts!) members of the board in Colin and Mel - it is important that there is some longer experience on the board] and offer a different point of view to some of the younger board members I would also like to continue to support the Chair in her role on the board. It would be nice to be able to develop a longer term strategy in regards to supporting local causes rather than the recent firefighting that had to be done to support the football club.
